Growing as a photographer & an artist for the past 8 months has been an indescribably surreal journey.

I would like to thank the following people: my family, my friends, anyone & everyone who has supported me along the way, my mentor Mr. Herman, my past boss Kiel for allowing me to help pioneer a now thriving media coverage team for his company, my editor Jonathan for appointing me countless invaluable opportunities, and to my father & role model Dan, for the patience, wisdom, care and support he so selflessly bestows upon me, day after day, shoot after shoot.
